THE BIBLE PROJECT

Do you want to know more about the Bible, but unsure how to go about it? The Bible Project (www.bibleproject.com) is an excellent place to start to learn more, containing short and easy to follow videos on all the books of the Bible as well as many of the themes.

It is a great introduction to some of the lesser-known books as well as a great resource for exploring more complicated issues of our faith and understanding God's plan for us. It is definitely worth checking out.

THIS WEEKS RECOMMENDED BIBLE PROJECT VIDEO

This week our recommended video is an overview of the letter to the Hebrews.

Born in Scotland but now resident in Ireland, **Sylvia Burnside** (Mezzo-Soprano) is equally at home singing classical arias and jazz standards. As a soloist with New Irish Arts, she has featured on many occasions in major concert halls of Ireland, as well as on several broadcasts for RTE television and BBC Songs of Praise, and in 2017 released an album with the New Irish Choir and Orchestra, produced by Jonathan Rea.

Rebekah Durston (Violin) studied at The Royal College of Music and has since performed across the UK and Europe. In 2018 Rebekah was awarded the British Empire Medal in the Queen's New Year's Honours for her services to music in Northern Ireland.

Steph Devlin (Soprano) studied music at Durham University, where she was particularly active as a singer and composer. For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the Scriptures, and that he appeared to Peter, and then to the Twelve.

Know Your Plastics

PET

Polyethylene Terephthalate

Releases endocrine disrupting chemicals like acetaldehyde over time, as well as toxic antimony, use once only.

Most commonly made into polyester fibres, also used in bottles for water or soda

PE-HD

Polyethylene (high density)

Additives & softeners used in this plastic have never been tested for safety. Do you feel lucky?

Milk & detergent bottles, bottle caps, food storage containers, plastic bags and even plastic surgery

03

PVC

Polyvinylchloride

The most toxic plastic, leaching phthalates, carcinogens, dioxins & more, linked to reproductive problems, diabetes, organ toxicity and cancers.

Water pipes, siding, signs, insulation, clothing, furniture, pleather, shower curtains and yes, even toys

04

PE-LD

Polyethylene (low density)

Relatively chemically non-reactive, these plastics degrade very slowly and present a burden to the environment for centuries.

Laminates, disk drives, snap on lids, six pack rings, playground slides and plastic wraps

05

PP

Polypropylene

Additives & softeners used in this plastic have never been tested for safety. Do you feel lucky?

07

Bisphenol A mimics the effects of the hormone estrogen and is linked to infertility & developmental damage.

A catch-all category for all other plastic types, includes bioplastics & multi layered resins, toxic bisphenol A may also be in other plastics

San Pedro News

If you have anyone you would like included in the service prayers this week, let Patricia know at: patricia.g2515@hotmail.co.uk

This week will be another book service, so please remember to pick up a Hymn book and Order of Service.

Despite Sue and Liam doing their best each week and disguising dud notes, our present organ needs replacing. We have done some research and feel we can get an instrument suitable for our needs for around €500. We have already had some pledges and money, if you feel able to make a donation please see Andrea.

Our present organ was donated to us many years ago by Joan Robertson in memory of her late husband. It has served us extremely well and we will be forever grateful to Joan.

We say goodbye to Revd Keith Kimber, this week, he has certainly been worked hard, baptisms, funerals, pastoral care, coffee mornings and of course services both here in San Pedro and in Sotogrande. Thank you Keith, we wish you a safe and hassle-free journey back to Wales.

From 4th September, we welcome back William Mounsey, who will be with us until the end of November.

**Please continue to remember those less fortunate than ourselves.
Keep supporting our local charities who are struggling to feed many families.
This weeks donations will go to Caritas here in San Pedro.**

Items needed most for all the charities:-

Milk, cooking oil, potatoes, rice, tomate frito, lentils, pastas, tuna, chick peas, flour. All the essentials and perhaps some treats.
