Do you want to know more about the Bible, but unsure how to go about it? The Bible Project ([www.bibleproject.com](http://www.bibleproject.com)) is an excellent place to start to learn more, containing short and easy to follow videos on all the books of the Bible as well as many of the themes. It also has articles, podcasts etc. on many Biblical themes. It is a great introduction to some of the lesser-known books as well as a great resource for exploring more complicated issues of our faith and understanding God's plan for us. It is definitely worth checking out.
